###

This press release contains forward-looking statements regarding sales, gross profits, net earnings, balance sheet position, industry trends and new products, technologies and businesses initiatives that involve risks and uncertainties. The Company's actual results could differ materially as a result of downturns in the aerospace or automotive industries, unexpected production delays by the Company's customers, lack of acceptance of new products and technologies, introduction of new products or technologies by competitors, the effects of federal budget sequestration, domestic and global economic conditions, inherent risk and uncertainty in the protection of intellectual property rights, the ability to control operating costs without impacting growth as well as the factors described in the Company's Forms 10-K, and 10-Q, and other reports on file with the SEC.
